**COMMUNICATION AFTER ALLOWANCE
UNDER 37 CFR § 1.312**

Dear Sir:

A Notice of Allowance was issued July 28, 2004 for the above-referenced US patent application. The issue fee has not yet been paid.

Upon review of the record, Applicant notes that the IDS filed with the application has not yet been identified as having been considered. A copy of the IDS and date stamped receipt is attached. Also, the PTO-892 form does not list and make of record the references cited in the parent case. In addition, Applicant has identified another reference to Andersson which should be considered. Therefore, Applicant is concurrently submitting a second IDS that lists all such references described herein and requests timely confirmation of consideration of the same.

Applicant notes with appreciation the Examiner's allowance of all claims, and indicates for purposes of completeness that various claims are not limited to coated particles, but would also encompass uncoated particles and bulk material, etc.

Please charge any underpayment or credit any overpayment of fees to attorney's deposit account # 50-2041.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Ruth E. Tyler-Cross', with a large, stylized flourish extending to the right.
